## Garden Peas

Peas are a "Barnard Specialty"—Our stocks are Northern Grown under our own supervision. Careful attention is given to the crops to insure highest quality.

Stocks of some varieties are limited this year on account of a short crop in Wisconsin where most of our Peas are grown. Our contract orders will take all of our own growing of these varieties.

## BARNARD'S Selected Vegetable Seeds

Every year we carefully revise our list of seeds, add a number of new sorts and discard all inferior varieties. Our selection will be found to contain everything really desirable and our stock of the highest possible quality.

NOTE—When varieties in this list are not priced it indicates that the crop has been a failure or the supply is very limited.
